Dear Friend of Scouting,

The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law. The promise of that mission is fulfilled when a young man becomes a mentor to the younger youth within his sphere of influence, gives remarkable service to others, or saves a life.

Your past support of our more than 65,000 youth has been greatly appreciated and well used in furthering this promise. Our records indicate we may have missed contacting you in our 2007 Friends of Scouting campaign. **On occasion a donation is credited to the unit, not the specific donor, therefore if you have already donated, please accept our sincere thanks. If not, please know the Utah National Parks Council values your continued support.**

Your gifts help the Utah National Parks Council further fulfill this promise by:

- Providing leadership training for youth (12 Timberline Junior Leader Training courses, 4 All-Stars Junior Leader Training courses) and adult volunteers (six Wood Badge leadership courses).
- Helping youth learn, advance, and be recognized in Scouting with 18,882 Cub Scouts ranks earned, 15,490 Boy Scout rank advancements earned, and over 63,000 Merit Badges awarded.
- Operate and maintain Cub Scout Day Camps, weeklong Summer Camps and High Adventure Bases for 45,000 youth in the southern two thirds of the State at our 13 camping properties.
- Provide activities and civic service through programs such as Scouting for Food which involved 18,000 youth and 6,200 adult leaders and collected 580,000 pounds of food for Utah's food banks.

Your generous giving history includes the following gifts:

2004: \$0.00

2005: \$0.00

2006: \$25.00

Your continued support will help us continue to fulfill the promise of scouting to the 65,000 plus youth we serve. Please consider us in 2007 by using the form below and indicate the amount you wish to give and how you would like to contribute.

Sincerely Yours,

**First Carpenter in Timpanogos Valley
1859**

William Bell, Jr. and Jane Heslop, his wife, arrived in Timpanogos Valley in 1859. His knowledge of carpentry and cabinet building assured him of plenty of work.

Barn building became his early employment here. He built several.

He later made cabinets and furniture for his neighbors and new friends in the Town of Heber.
